BE DECORATED

Choose from our four in-house decoration solutions: embroidery, heat transfer, laser etching and borderless heat transfer.

SAVE TIME & MONEY

Our convenient, in-house decoration solutions simplify your decoration process from virtual requests to swatch samples and everything in between, freeing you to focus on your job. You benefit from quick production lead-times and industry leading pricing. We control the process from digitization to delivery. One point of contact, one invoice, one shipment. We made easy, easier.

EMB EMBROIDERY

We first launched our Worry-Free Embroidery® Service in 2008 and this classic decorating method continues to be the most popular decoration choice.

HT HEAT TRANSFER

Pre-printed art is pressed onto the garment. This process has been improved and refined over the years and is a great decoration option for performance apparel.

LZR LASER ETCHING

Using laser technology, the top layer of a garment is burned slightly, creating a precise, tonal design. A versatile option for varying logo sizes and locations.

BHT BORDERLESS HEAT TRANSFER

Tri-Mountain's Borderless Heat Transfers provide all the benefits and features of the standard heat transfer, digitally printed in full color, but with a clean, borderless edge.
