About Us

Indicus Bag has served the advertising and promotional products industry for over 18 years. We have an excellent track record of supplying eco-friendly products to support marketing and brand awareness initiatives while keeping Corporate Social Responsibility (CSR) in mind.

We take pride in our flawless track record of fulfilling and exceeding customer requirements on quality and delivery. The key to our success lies in our partnership with our overseas factory and domestic partners. Our overseas factory is family owned and has been operating for more than 20 years providing us with excellent quality and innovative product design.

Locally, we have joined hands with TradeWinds Services to deliver Made In USA bags. TradeWinds provide training & employment to people with special needs and empower them to realize their full potential.

We are determined to make the world a better place by delivering eco-friendly products and we are grateful to have your support.

Custom Orders

In addition to our great mix of sustainable, eco-friendly, and 100% biodegradable products, we offer custom solutions to our customers with guaranteed quality at competitive price points by keeping tight control on our manufacturing process. Reach out to us with your customer's desired design & functionality requirement and we will amaze you with our quality work and price points. Contact us to see our custom samples.

Custom handles with personalized embroidery and company logo.

Two color end to end print to illustrate continuity.

Designed and developed from scratch to bring client's vision to reality.

Environmental Social Responsibility

Indicus Bag supplies products that are made of 100% natural fibers (cotton & jute) with post industrial waste. Recycled content make our products eco-friendly, biodegradable, and truly sustainable green products. Heavy duty cotton canvas products are strong and meant for multiple usage lasting a very long time eventually helping save the environment. Our cotton canvas bags are made from up to 30% post industrial cotton waste making it a truly sustainable product.

Fair Manufacturing Practice

We stand by fair manufacturing practices. As important as it is to produce high quality products at competitive rates, we also understand the stigma behind purchasing products produced in developing countries and the lack of oversight on labor practices at such facilities. We want our customers to know that we are strongly against child labor and unfair manufacturing practices and are proud to boast a 50% plus female workforce at our factory in India. We are committed to providing opportunities to women of impoverished communities.

Embroidery

Note: Before your design can be embroidered, it must first be digitized. Disks used for other items such as apparel or hats may need to be re-digitized to work on bag fabrics, which are generally coarser. Camera ready art requires digitizing. Text should not be less than 0.25" high.

Digitization: \$75(v) up to 5,000 stitches. Thereafter \$12.50(v) per additional 1,000 stitches. Editing will be \$20(v) (within 10% size variation). This price includes a free sew out picture.

Sew Out: \$12.50(v)

Product Proof: \$30(v) setup + cost of item + embroidery cost + shipping. PDF proof at no charge.

Embroidery Cost: \$3.75(v) up to 5,000 stitches. \$0.50(v) per additional 1,000 stitches increment.

Trim Cost: 10 trims at no additional cost. \$0.17(v) per additional trim.

Screen Printing

Screen/Setup: \$50(v) per color/location. Made in USA bags are \$62.50(v) per color/location. First screen/setup charge includes 1-color/1-location imprint at no cost.

Run charge: \$0.50(v) per additional color/location on each item.

Repeat Setup: 50% off (Only for orders placed within 13 months)

PMS Match: \$40(v). For Metallic inks \$50(v). No charge for using standard colors.

4 Color Process/Full Color/Photo Transfer
